**Todd is a member of the United States Army Reserves with 20 years of service and over 10 years of Federal Service. He is an amazing husband, father, son, brother, and friend. After years of struggling with cancer, he is being called to move on. Although he will be in a better place, he will be leaving behind his loving wife and two beautiful daughters.**

**When we asked Todd what we could do to help during this difficult time, his only concerns were centered around his family and ensuring his girls received a college education.**

**We, his closest friends, promised to make sure his family is taken care of.**

**This fund is to help provide money towards his girls' college education.**
